

HOME EQUITY

Line of Credit Packet

A Home Equity Line of Credit (**HELOC**) allows you to utilize your home's equity as a revolving line of credit. A HELOC offers flexibility to borrow as you need for any reason, up to a set maximum credit limit. This is a great option if you are unsure of the total amount needed and it leaves the door open to access more funds over a period of time. HELOC Loans can help with...

- Debt consolidation
- Home improvements
- Vacation
- Wedding
- Education
- Emergencies
- Or for almost any reason you need cash

We've put together a **HELOC Packet** of information, which includes:

- HELOC worksheet to help you determine the equity in your home
- Checklist of items you'll need when applying for a HELOC loan other pertinent information about service providers and lending disclosures
- Written list of providers

As always, feel free to contact a loan officer if you have questions.
